I am honored to be named the next chairman of the Agriculture Committee. There are serious issues facing the farming community and we must work together to encourage sensible reforms that help provide stability and opportunity to local farmers and agri-business.

Gary Tauchen and his family own and operate Tauchen Harmony Farms, Inc. located in Shawano County. He is lifelong farmer and strong advocate for the dairy industry. He has served as the Representative from the 6th Assembly District since 2007.
