Madison- State Representative Tyler Vorpapel (R-Plymouth) issued the following regarding the Launch of Lilly Diabetes Solution Center.

“I’m happy to announce that The Lilly Diabetes Solution Center, a new patient-focused helpline launched today that makes it easier for people who have diabetes to work with representatives to find personalized solutions to address insulin affordability. I know the cost of insulin personally and that it’s something that diabetics cannot live without. I’m so thankful that the Lilly Diabetes Solution Center is making it easier for people to find a more cost-effective way of managing their diabetes.

“I encourage those of you who pay near full list price for insulin to call the Lilly Diabetes Solution center at (833) 808-1234 and talk to a Representative between 9 a.m. and 8 p.m (ET). Follow this web address for their press release and more information on how it can affect you:
