Speaker Robin Vos (608) 266-3387

Madison...Speaker Robin Vos (R-Rochester) released the following statement after Governor Walker took action on the extraordinary session bills.

“I would like to thank Governor Walker for signing the extraordinary session proposals into law. Through his actions, he’s acknowledging the importance of the legislature as a co-equal branch of government.

“As Democrats and the media continue to inflate these laws into something they’re not, Assembly Republicans are focusing on the new legislative session and will work to find common ground in divided government.”
