Madison...Speaker Robin Vos (R-Rochester) released the following statement on Governor Walker's call for a special session on school safety.

"I'm pleased that Governor Walker called a special session and appreciate that he and his staff worked with legislative leaders to bring forward a comprehensive package on school safety.

"Assembly Republicans feel strongly that nothing is more important than the safety of our school children. Our chamber's plan is to take up the legislation on the floor of the Assembly next week in a one day special session."
