*Baldwin supports a socialist government takeover of health care*  
[Madison, WI] — In 2013 Barack Obama told the lie of the year when he told Americans that under Obamacare “[if you like your health care plan, you can keep it.](#)” Tammy Baldwin stood by him then, helping support the liberal disaster that is Obamacare. Now Tammy Baldwin is pushing [her own lies on health care](#), targeting Leah Vukmir with flat-out false statements and supporting a socialist government takeover of health care that would end private coverage for millions.

“Tammy Baldwin is an extreme liberal out to finish the job that Barack Obama started. First, they told you if you liked your plan, you could keep it – and that was a lie,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “Now Tammy Baldwin and her far-left allies are telling more lies to scare voters while they push a one-sized-fits-all takeover of health care that would end private health insurance for millions of Wisconsinites. Leah Vukmir is a nurse who will take our Wisconsin way to Washington and fight to make health care affordable for hard-working families.”
