MADISON, WI — Democratic gubernatorial candidate Kelda Roys has been endorsed by Rep. Amanda Stuck (D-Appleton).

“I am endorsing Kelda because I am excited to see a strong woman running who has the vision and energy to win a tough campaign,” said Rep. Stuck. “Kelda will once again make Wisconsin a leader in education, the environment, and quality of life for every single person.”

Roys has previously been endorsed by several national organizations that advocate for healthcare, including NARAL Pro-Choice America, the National Organization for Women, and Demand Universal Healthcare.

“I’m thrilled and honored to receive the support of State Representative Amanda Stuck,” said Roys. “Rep. Stuck has been a steadfast advocate for working families in the legislature and has a record of working across party lines to solve our most pressing problems. It’s time to focus on solving our common challenges and making Wisconsin a place of opportunity and fairness again.”
