MADISON, WI — Today, State Representative Nick Milroy endorsed Democratic gubernatorial candidate Kelda Roys.

“I’m pleased to lend my full support and endorsement to Kelda Roys,” said Rep. Milroy. “Our next governor will have to confront the unprecedented threats facing Wisconsin’s environment. Kelda Roys has the record of environmental conservation needed to protect our land, air, and water and the passion, energy, and platform to win statewide.”

Roys has previously been endorsed by many national and state organizations and leaders, including EMILY’s List, NARAL Pro-Choice America, National Organization for Women, Feminist Majority, Demand Universal Healthcare, Moms Demand Action, #VoteProChoice, Andy Gronik, Rep. JoCasta Zamarripa, Rep. Amanda Stuck, former Sen. Jess King, and dozens of local elected officials.

“I’m thrilled to have the endorsement of Representative Milroy,” said Roys. “I have deep respect for the work he has done protecting the pristine environment of northern Wisconsin. I look forward to working with Representative Milroy to restore opportunity and fairness all across our state.”
