(Madison, WI) Today, career prosecutor and Wisconsin Attorney General Brad Schimel officially kicks off his re-election campaign releasing the following statement:

“As a nearly 30-year prosecutor and Wisconsin’s Attorney General I’ve been on the front lines in the battle against opioid and drug abuse, human trafficking and killing over-reaching regulations that stall job growth,” Schimel said. “During my time as Attorney General I’ve pushed for harsh penalties for violent and career criminals and will continue to be a tough, fair and independent voice for Wisconsin families.”

Brad has served as Attorney General since 2015 where he has implemented programs to protect Wisconsin’s elderly, led the way as a national leader in drug abuse prevention and drug take back programs and stood with law enforcement in the fight to end human trafficking.

Brad is a native of Waukesha County and a graduate of University of Wisconsin - Milwaukee where he received his bachelor’s degree in Political Science. He went on to receive his Juris Doctorate from University of Wisconsin - Madison.
