Wisconsin Attorney General Brad Schimel released a new TV advertisement, "Connecticut," as part of a series of advertisements named after the states where Democratic opponent Josh Kaul has previously lived. In this first ad, Schimel highlights the laundry list of Sheriffs that have endorsed him.

"Brad Schimel is an Attorney General of results," said RAGA Communications Director Zack Roday. "Under his leadership, Wisconsin has led the nation in the opioid epidemic, elderly abuse, school safety, and now domestic violence prevention. Attorney General Schimel is the only candidate with the experience as a prosecutor and the only candidate to spend his entire life working for the people of Wisconsin. Wisconsin communities are safer because of Attorney General Brad Schimel."
