(Reedsburg, Wis.) – Srenock for Justice senior advisor Sean Lansing issued the following statement Friday in response to reports the Republican Party of Wisconsin has filed a Judicial Commission complaint against Judge Rebecca Dallet:

“Judge Srenock was shocked and deeply saddened to learn that a sitting judge and Supreme Court candidate would engage in conduct that damages the public’s trust in our justice system and our high court candidates. These are serious allegations and they outline a troubling pattern of behavior by Judge Dallet that warrants further investigation.”
