[Madison, WI] — Following the announcement of four more cabinet appointments today from Governor-elect Evers, Senate Majority Leader Scott Fitzgerald released the following statement:

“I have heard serious concerns over the governor-elect appointing a provocative figure to head the Department of Transportation who is a long-time advocate for special interests. Governor-elect Evers would be better served by nominating someone who worked in a less controversial role during previous policy debates.

“As always, we will rely on the Senate process for confirmations and I look forward to working with the governor-elect on his appointees.”

Senate Majority Leader Scott Fitzgerald (R-Juneau) represents the 13th Senate District, which covers portions of Dodge, Jefferson, Waukesha, Washington, Dane, and Columbia counties.
