MADISON, Wis. – State Senator Tom Tiffany (R-Hazelhurst) released the following statement after Governor Walker’s State of the State:

“I look forward to working with Governor Walker on his ambitious agenda. Over the last eight years we have had many accomplishments. Unemployment is at a record low, we’ve cut income and property taxes, our fiscal house is in order, UW tuition remains frozen, and we have invested substantially in education and local government. Due to our conservative reforms and prudent care of your tax dollars, we will be able to reinvest even more into our priorities. Wisconsin is on the upswing, yet there still remains a lot of work to do.”
