WASHINGTON—House Speaker Paul Ryan (R-WI) issued the following statement on the nomination of Heather Nauert to be the U.S. Ambassador to the United Nations:

“President Trump has made an excellent selection by nominating Heather Nauert to be U.N. ambassador. As one of the United States’ strongest voices on the global stage, Heather will seamlessly transition to the country’s top diplomat at the U.N.

Janna and I have known and respected Heather for many years, and we look forward to all that she will accomplish at the U.N. as an advocate for freedom, liberty, and human rights.”
