JANESVILLE — Bryan Steil today announced that Racine County Executive John Delagrave and Waukesha County Executive Paul Farrow have endorsed his campaign to represent the 1st Congressional District of Wisconsin.

“Bryan Steil is focused on preparing the next generation for the jobs of the future,” Delagrave said. “As a Regent, Bryan has worked tirelessly to ensure that our students, whether that be at a 4-year college or a tech school, are given the chance for an affordable, high-quality education. I am proud to support Bryan Steil for Congress.”

“Bryan Steil is a tested conservative,” Farrow said. “Our state has made great strides in the past eight years, and Bryan has been on the front lines leading the Wisconsin conservative movement. Bryan will take the same commitment that he has for our community to Washington.”

In response to the support shown by the County Executives, Bryan Steil said, “I’m proud to have the backing of two leaders who have overseen a great deal of job creation in their counties. Jonathan and Paul don’t wait for things to happen — they make things happen.”

Bryan Steil is a Janesville native and a member of the UW Board of Regents. He has

spent the last nine years working for Rock County manufacturers. Bryan Steil is running because Washington needs problem solvers.
