JANESVILLE, Wis. – First Congressional District candidate Bryan Steil’s campaign released the following statement regarding Randy Bryce’s false ad:

Andrew Iverson, Steil Campaign Spokesman: “It is disappointing that our opponent has immediately resorted to name-calling and false attacks. The truth is Randy Bryce says one thing and does another. Our opponent says he is for working families, but his extreme proposals would raise taxes on working families. Bryan Steil is a problem solver who is offering real solutions so hardworking folks in Southeast Wisconsin can keep more of their paychecks. Bryan has spent the last nine years in the private sector working to create high-wage jobs. Our campaign will continue to focus on the facts, and we call on our opponent to do the same.”
