

# Steil says he raised \$1 million in third quarter

Posted on Monday, Oct 15, 2018

Republican Bryan Steil says he raised \$1 million over the third quarter, finishing the period with more than \$630,000 in the bank.

The campaign also said 75 percent of Steil's donors were from Wisconsin over the total three-month period. Fundraising reports are due today.

Steil, an attorney for a manufacturer, previously raised \$659,433 over the 10 weeks after he got into the race for the 1st CD in mid-April, setting what the campaign said was a new record for the initial fundraising period of a first-time Wisconsin House candidate. He ended the period with \$618,998 cash on hand.

Steil's 1st CD opponent, Dem Randy Bryce, didn't have his fundraising figures posted at the Federal Elections Commission site as of late this afternoon.
