Monday, September 3th is Labor Day- This year, Labor Day ushers in a triumphant celebratory spirit Wisconsin has not seen in many years. "As we move forward, my vision for a Stronger Wisconsin is a promise to continue, and even work to lower the current unemployment rate by ensuring legislation passed does not hinder businesses in their growth." said Gabriel Szerlong

"I have been on the campaign trail for 3 months, and as I have met people throughout the 43rd, I've found they are excited to share how happy they are being able to work full-time and being secure in their jobs for the first time since 2008." said Szerlong

The 43rd Assembly District contains portions of Rock, Walworth, Dane and Jefferson counties including Whitewater, Milton, Edgerton, Footville, part of Oregon and surrounding towns.
