*Bipartisan legislation aimed at alleviating poverty*

**Washington DC** - Wisconsin Congressman Sean Duffy, Chairman of the Financial Services Subcommittee on Housing & Insurance, today co-introduced the Housing Choice Voucher Mobility Demonstration Act of 2018 with Rep. Emanuel Cleaver (D-MO). The legislation would authorize the Secretary of Housing and Urban Development to carry out a housing choice voucher mobility demonstration to encourage families receiving such voucher assistance to move to lower-poverty areas and expand access to opportunity areas.

“A major contributor to the generational cycle of poverty is the lack of employment opportunity, and this bipartisan legislation will help people relocate to areas with more opportunities and greater economic freedom,” said Congressman Duffy. “I’d like to thank Emanuel Cleaver for working with me to address poverty head on by reforming voucher assistance.”
