Pocan to Hold Town Halls in Lafayette, Green, and Dane Counties

MADISON, WI – U.S. Representative Mark Pocan (WI-02) will hold three town halls this week in Wisconsin. The first two town halls will take place in Lafayette and Green Counties today, Monday, April 2, and the third will take place in Dane County on Wednesday, April 4. The town halls are opportunities for Wisconsinites to ask Rep. Pocan questions regarding legislation facing Congress, discuss the Trump Administration's actions on a number of issues, and address current events such as the March for Our Lives.

The town halls come as Congress faces several urgent issues, including working on legislation that would help end gun violence, passing the DREAM Act to reinstate the Deferred Action for Childhood Arrivals (DACA) program, and restoring Net Neutrality. Following brief opening remarks, Rep. Pocan will take questions from members of the community in attendance.
