U.S. Rep. Sensenbrenner: Statement on immigration Vote

Washington, D.C.—Today, Congressman Jim Sensenbrenner (WI-05) voted for H.R. 4760, the Securing America's Future Act. Congressman Sensenbrenner, an original cosponsor of H.R. 4760, offered the following statement after the legislation failed in the House:

Rep. Sensenbrenner: *"Today, the House missed a golden opportunity to pass H.R. 4760, which included much-needed reforms like the mandatory use of E-Verify, end of chain migration, and increased border security. Our efforts would have also addressed the issue of family separations and provided a fix for DACA recipients — without granting amnesty. I'm disappointed by today's results but remain committed to securing our porous borders and fixing our broken immigration system."*
