

WisOpinion Poll: Which Democratic gubernatorial candidate would be toughest on Foxconn?

Posted on Friday, Jun 1, 2018

The Democratic candidates have staked out varying positions on how they would deal with Foxconn, which would be granted \$4.5 billion in state and local incentives if the company completes its full \$10 billion investment and employs 13,000.

Which Democratic gubernatorial candidate would be toughest on Foxconn?

The list below includes all Democrats who have submitted enough nomination signatures to the state Dem Party to secure a speaking slot at this weekend's Democratic state convention in Oshkosh.
