Brookfield, WI- Republican candidate Dr. Jennifer Hoppe Vipond has turned in over 1600 signatures and has qualified for the Fifth Congressional District primary ballot.

“For more than twenty-five years I have had the privilege of serving the people of District 5 as a pediatrician. I think Congress needs more physicians with actual healthcare experience to tackle healthcare policy, the opioid epidemic and gun violence.” Said Jennifer

Dr. Jennifer Hoppe Vipond was born and raised in District 5. She and her husband Mark have raised six children while she has maintained a full-time medical practice serving thousands of Wisconsin families. Dr. Vipond would like to bring back a Congress where people are more influential than special interests and where evidence-based policymaking replaces fear mongering and divisiveness.
