Brookfield, Wis. – Despite saying she doesn't support abolishing ICE, Two-Faced Tammy Baldwin not only fundraised in the Hamptons with New York's Kristen Gillibrand who wants to abolish ICE, but she also marched in lockstep with Gillibrand in voting against completing the U.S.-Mexican border wall.

"Not only did Two-Faced Tammy Baldwin campaign with the leader of the abolish ICE movement, she has also said a border wall with Mexico is 'not practical,'" said Leah Vukmir campaign manager Jess Ward. "How can Baldwin claim to be in Wisconsin's corner if she believes a border wall is an unpractical solution to keep dangerous, lawbreaking immigrants out of Wisconsin and our country?"
