Brookfield, Wis. — Nurse, military mom and U.S. Senate candidate Leah Vukmir released the following statement Monday regarding new allegations against Supreme Court nominee Brett Kavanaugh:

“On the heels of Senator Baldwin not having the time to meet with Judge Kavanaugh, yet having time for a fundraiser with Dr. Ford’s lawyers, we now have additional uncorroborated attacks on Judge Kavanaugh being irresponsibly published by the Fake News media.

“Michael Avenatti, presidential aspirant of Stormy Daniels fame, has decided he also wants to join the Democrat delay circus and what has become clear is that the Far Left is engaged in an all-out, no-holds-barred, last-minute character assassination, rather than responsibly vetting and filling a seat on the Supreme Court.

“Democrats need to stop the political posturing, and hold a vote this week on Judge Kavanaugh’s nomination.”
