Brookfield, Wis. — Nurse and U.S. Senate candidate Leah Vukmir released the following statement upon receiving the endorsement from the Wisconsin Family Action PAC.

“As a nurse who believes— without exception — that unborn babies should not be murdered, I am thankful for the support of Wisconsin Family Action,” Leah said. “Our families are the core building blocks of our state, and I have a proven record of standing for religious liberty, family values, and most importantly life. Wisconsin deserves a senator who won’t buckle under pressure and will champion the issue of life. I’ve done it and will continue to do it.”

Leah Vukmir is a nurse, military mom and conservative with a proven record of reform who is running to bring the Wisconsin Way to Washington. She currently serves as a state senator from Brookfield.
