## **Vukmir campaign: Milwaukee Police Association endorses Vukmir for U.S. Senate**

MILWAUKEE — The Milwaukee Police Association is endorsing nurse and military mom Leah Vukmir in her race for the U.S. Senate, the group announced Monday.

“Leah Vukmir has shown an unwavering commitment to backing the badge and helping police keep Wisconsin safe,” said Mike Crivello, president of the Milwaukee Police Association. “When it comes to protecting our families from violent criminals, cracking down on drug trafficking and supporting law enforcement, there has been no stronger champion than Leah.”

“Law enforcement ought to be held in the highest regard, and they need an ally in the U.S. Senate who believes in law and order,” Leah Vukmir said. “I’m honored to have the Milwaukee Police Association’s endorsement. They know we need the resources and abilities to stop illegal criminals from terrorizing our communities, and Senator Baldwin has let them down time and time again.”
