Milwaukee, WI 53204

WHEN: Thursday, March 22 8 AM-10 AM

Join the Wisconsin Veterans Chamber of Commerce and Davis & Kuelthau for the next Chamber Morning Formation on Thursday, March 22 from 8:00am-10:00am at Emmons Business Interiors in Milwaukee.

Legal Audits for Business and Employment Issues will help veteran business owners understand the need for a legal audit, what a legal audit is, and how to perform one. Businesses must comply with a significant number of laws and regulations that impact daily operations, and a legal audit enables businesses to prioritize and anticipate important issues and minimize costly surprises or problems.

Chamber Morning Formation is presented by Davis & Kuelthau, and sponsored by Michels Corporation, the Wisconsin Economic Development Corporation, and the Wisconsin Department of Veterans Affairs.

The cost to attend is \$10 for the general public, or free for members of the Wisconsin Veterans Chamber of Commerce. Not a member yet? Sign up now!
