Baldwin will fight to keep good jobs in Wisconsin

(MILWAUKEE, June 8, 2018) — The Wisconsin State AFL-CIO announced today its endorsement of Tammy Baldwin for U.S. Senate.

“Tammy Baldwin is leading the charge in Congress to keep products Made in America and Made in Wisconsin,” said Phil Neuenfeldt, President of the Wisconsin AFL-CIO. “Her steadfast support of Wisconsin workers in all sectors of our economy has earned her the endorsement of Wisconsin’s union men and women. We know Senator Tammy Baldwin will continue to protect America’s middle class by ignoring the special interests and fighting for the people.”

“Tammy Baldwin is a partner in the labor movement’s determined effort to win economic justice for all,” said Stephanie Bloomingdale, Secretary-Treasurer of the Wisconsin AFL-CIO. “We need leaders like Senator Baldwin in Congress who will work together to unrig our economy by writing new economic rules that create shared prosperity for all. In Congress, Senator Baldwin will fight to expand job training and apprenticeship programs to close the skills gap.”
