"The Wisconsin Bankers Association congratulates Governor-Elect Tony Evers on his victory. Moving forward, Wisconsin's banks are committed to helping the newly elected Governor and our state's businesses and families grow the economy.

WBA would also like to thank Governor Walker for his years of service to Wisconsin and his efforts to improve the state's economy for both business and families.

As a driver of economic growth, Wisconsin's banks stand ready to help keep Wisconsin moving forward. The banking industry is uniquely positioned and able to assist Governor-Elect Evers as well as the Badger State's businesses and families in shaping an even stronger economy as we move forward in the months ahead.

WBA looks forward to working with Governor-Elect Evers and the legislature during the upcoming session to support Wisconsin's communities and businesses with economic development efforts which will be a key component to the success of our state."
