

# Wisconsin Council on Economic Education Stock Market Game workshop

Posted on Wednesday, Jan 10, 2018

Are you interested in incorporating the

[\*\*Wisconsin Stock Market Game\*\*](#) into your curriculum but are unsure how? Join Mr. Tim O'Driscoll for this one day, crash course on economics and financial education. Bring your laptop and get some hands on training!

**February 2, 2018**

**8:30 A.M - 3:00 P.M.**

**Lakeland University**

**[9000 West Chester Street](#)**

**[Milwaukee, WI 53214](#)**

Besides offering the game,

[\*\*EconomicsWisconsin\*\*](#) offer a workshop.

Our workshop on the

[\*\*Stock Market Game\*\*](#) focus on learning the basics of stocks, bonds, and mutual funds as well as running through the basic functions of the interface.

Our workshop goes well beyond learning about the [\*\*Stock Market Game\*\*](#). You will learn the simple strategies to pass onto your student.

Your registration fee of \$30.00 will be 100% refunded back to you when you attend the workshop (within 10 business days). You may cancel your registration by January 29th for a full refund. After January 29th, the registration fee will not be refunded if you cannot attend the workshop.

The [\*\*Stock Market Game\*\*](#) is an easy and simple method of learning how the economy works. Students manage hypothetical \$100,000 investment portfolios as they compete against other schools in their age division throughout the state of Wisconsin.
