WCA Commends Governor-Elect Evers for
Selection of Craig Thompson for WisDOT Secretary

The Wisconsin Counties Association commends Governor-Elect Tony Evers for the selection of Craig Thompson as his Wisconsin Department of Transportation (WisDOT) secretary.

"Hands down, Craig Thompson is the most qualified, knowledgeable and capable person Governor-Elect Evers could have selected for the position of WisDOT secretary," said WCA Executive Director Mark D. O'Connell. "While he is fully prepared to solve the problems of the day, one of his many talents is the ability to see years into the future and take actions today which better prepare Wisconsin for tomorrow."

Thompson began his career at the Wisconsin Counties Association, where he served for 16 years, including 10 as legislative director.

"Craig is incredibly well respected from the local through the federal level. We are confident his leadership within WisDOT, as well as his ability to bring vastly

different groups and coalitions together for the betterment of our state, means a very bright future for Wisconsin,” concluded O’Connell.

The Wisconsin Counties Association represents the interests of county governments at both the state and federal levels and is located in Madison, Wisconsin. Learn more
