“The Wisconsin Counties Association congratulates Governor-elect Tony Evers on his victory in the general election on November 6, 2018. We look forward to working with Governor-elect Evers, his administration and the entire legislature as we tackle some of the most pressing issues facing our counties and state, including Wisconsin’s growing child welfare crisis, driven by the opioid and meth epidemic; focusing on the future of Wisconsin’s transportation and infrastructure needs, and strengthening the incredibly important state and county partnership.”
