MADISON—Monday evening President Trump announced that Judge Brett Kavanaugh is his nominee to the US Supreme Court to fill the vacancy of retiring Justice Kennedy. Trump has said regarding this process that his “greatest responsibility is to select a Justice who will faithfully interpret the Constitution as written,” noting that “[j]udges are not supposed to re-write the law, re-invent the Constitution, or substitute their own opinions for the will of the people expressed through their laws.” President Trump believes Judge Kavanaugh, meets those requirements.

“The American people care deeply about strong originalists on the Supreme Court, as evidenced by the 2016 presidential election,” said Julaine Appling, Wisconsin Family Action president. “We appreciate President Trump’s continued transparency and principled process for choosing the next Supreme Court nominee and are hopeful that Judge Kavanaugh will uphold the First Amendment and the original public meaning of the Constitution.”
