“Michael Brennan is a distinguished attorney, a respected judge and a dedicated public servant. His broad legal background and commitment to the law assures that he is eminently qualified to serve as a federal judge. Wisconsin Right to Life is glad that the Senate Judiciary Committee is holding a hearing on his nomination, and we urge Senators Baldwin and Johnson to support his confirmation,” stated Heather Weininger, Executive Director of Wisconsin Right to Life.

Judge Michael Brennan was nominated by President Trump to fill the vacancy in the 7th Circuit Court of Appeals. The Seventh Circuit takes on many important cases from Illinois, Indiana, and Wisconsin, including cases that deal with issues such as abortion.

“This seat on the Seventh Circuit Court has stood vacant for too long,” continued Weininger, “which is why we hope Judge Brennan’s nomination is confirmed soon.”
