[Madison, Wisconsin]: Pat Goss, Executive Director of the Wisconsin Transportation Builders Association, released the following statement in reaction to Governor-Elect Tony Evers' announcement that he is nominating Craig Thompson, Executive Director of the Transportation Development Association of Wisconsin, to serve as his Secretary of Transportation.

"I commend Governor-Elect Evers on his nomination of Craig Thompson to serve as the Secretary of the Wisconsin Department of Transportation. Craig has worked tirelessly during his time at TDA to promote all modes and aspects of transportation in Wisconsin. I can't think of anyone who is more knowledgeable and qualified than Craig. We look forward to working with him and the Evers Administration on the important issue of transportation infrastructure."
