*Logistics Health Inc. Chairman and Leinenkugel Brewing President to speak*  
**LA CROSSE, WI** – The Wisconsin Veterans Chamber of Commerce and Logistics Health Incorporated invite veterans, business and community leaders in the tri-state area to attend the La Crosse Veterans Business Breakfast on Tuesday, May 1 from 7:00am-9:00am at LHI headquarters, [328 Front Street South, La Crosse, WI](#). The breakfast event features Don Weber, founder and chairman of Logistics Health Inc. and U.S. Marine Corps veteran, as well as Dick Leinenkugel, president and chief beer merchant of the Jacob Leinenkugel Brewing Company and U.S. Marine Corps veteran. Mayor Tim Kabat will welcome attendees to the City of La Crosse with special remarks to start the program at LHI. The event will recognize leaders in Wisconsin's veteran business community and celebrate the contributions veterans and military service members make to Wisconsin's economy and communities. Keynote speakers will make presentations to the attendees during the breakfast, along with a question and answer session during the event. This event will also highlight one of the many community organizations serving Wisconsin's veterans and military service members, Healing Patriots Inc. Healing Patriots is a Wisconsin-based nonprofit organization designed to help injured veterans and first responders begin their path to healing through therapeutic outdoor trips. Healing Patriots will be accepting nomination forms during this event from military veterans and first responders to join them on an all-expense paid, pre-determined guided fishing trip in Canada or Wisconsin in 2018.
