MADISON — Following tonight's Wisconsin GOP Senate primary debate, Democratic Party of Wisconsin spokesperson for the 2018 Senate race Brad Bainum issued the following statement:

"The contrast in Wisconsin's Senate race couldn't be any more clear after tonight. While Tammy Baldwin does right by Wisconsin—whether it's standing up to the president of her own party or working with the president of the opposing party—Leah Vukmir and Kevin Nicholson would be rubber stamps for Donald Trump's agenda and work for the corporate special interests and billionaires bankrolling their campaigns."
