MADISON — DPW spokesperson for the 2018 Senate race Brad Bainum issued the following statement following this morning's GOP Senate candidate town hall:

“After last night and this morning's GOP Senate primary debates, it's as clear as ever that no matter who wins Wisconsin's GOP Senate primary, Wisconsinites lose out: both Leah Vukmir and Kevin Nicholson are bought-and-paid-for by the corporate special interests and billionaires bankrolling their campaigns, and that's who they'd put first in Washington, not Wisconsin working families.”
