MADISON — Following tonight's GOP U.S. Senate primary debate, Brad Bainum, DPW spokesperson for the 2018 Senate race, released the following statement:

“Every Wisconsinite should be concerned after tonight's debate: Leah Vukmir and Kevin Nicholson are bought and paid for by mega-donors and powerful special interests and they're running on a corporate-giveaway agenda that would protect the worst of Washington corruption while inflicting real pain on hardworking Wisconsin families.”
