Bernie and Bryce: Two Socialists with a Long History of Losing

[Madison, WI] — Socialist Bernie Sanders is visiting Wisconsin this weekend to campaign with Randy Bryce, even though [he thinks that Bryce can't win](#) in the November Election. Both Bryce and Sanders are radically far-left liberals, embracing policies and candidates that are out of touch with the voters of our state.

“Randy Bryce is showing Wisconsin voters just how extreme he really is by sharing the stage with socialist Senator Bernie Sanders,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “Thanks to Republican tax cuts, Wisconsinites are keeping more of what they earn. Bernie and Bryce are campaigning to take that money and give it to Washington - they think they know how to spend your money better than you do.”

Bernie and Bryce: Out of Touch with Wisconsin

- Both support a government-run health care plan that will cost [\\$32 trillion](#) and neither has any idea how to pay for it [other than raising taxes](#)
- Both opposed tax reform, despite the fact that it will save the typical Wisconsin family [more than \\$2,500 a year](#) - in addition to the bonuses and higher wages

workers are already seeing.

- Sanders' candidates have [a track record of losing in Wisconsin](#) – just like Randy Bryce, who is a three-time political loser [defeated by landslide margins](#) when he ran in in 2012, 2013, and 2014.
