Josh Kaul is an unqualified political attorney with a record of being soft on crime

[Madison, WI] — Brad Schimel is a career tough-on-crime prosecutor who is fighting to keep Wisconsin families safe. He has led the way on Wisconsin's Drug Take Back Days to dispose of opioids, he's eliminated the state's sexual assault kit backlog, and helped keep Wisconsin schools safe. His opponent, Josh Kaul, has never prosecuted a case in a Wisconsin court room, and went [soft on hardened criminals](#) and drug dealers during his short time as an attorney in Baltimore.

"Josh Kaul is dangerously unqualified to serve as Wisconsin's Attorney General. Kaul has no record to run on in Wisconsin, and his record in Baltimore makes it clear that he'd put the interests of hardened criminals ahead of the safety of Wisconsin families," said Mark Morgan, Executive Director for the Republican Party of Wisconsin. "Brad Schimel has spent his career as a tough-on-crime prosecutor who worked to keep Wisconsin safe - and has helped our state become a leader in the fight against opioid abuse. Brad Schimel is our AG."
