[Madison, WI] — Democrats are obsessed with keeping the money of hard-working Wisconsin taxpayers. The advance of Governor Scott Walker's tax relief plan in addition to federal tax relief passed by Speaker Ryan and Republicans earlier this year are just more proof that Wisconsin Republicans are fighting to return power to the taxpayers – despite Democrats obstructing whenever they can.

“Thanks to Republican leadership, Wisconsin families are keeping more of what they make. From Wisconsin to Washington, we are fighting for reforms that return power to the taxpayers,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “Sadly, Democrats like Senator Tammy Baldwin think that they can spend your money better than you can, and have opposed Republican measures at every turn.”

Wisconsin Democrats Want to Keep More of What You Earn

- Governor Walker and Republicans in the legislature are advancing a plan that returns Wisconsin's surplus to the hard-working families of our state.
- Democrat Leader Jennifer Shilling told voters that she would rather spend that money on “[anything else](#)” other than returning it to Wisconsin families.
- Speaker Ryan and our Republican Congressional Leaders fought for a tax reform package that cut taxes for the typical Wisconsin [family by over \\$2500](#).
- Senator Tammy Baldwin opposed those tax cuts, instead favoring higher taxes on the families of our state.
