[Madison, WI] — Today marks the six-month anniversary of the Tax Cuts and Jobs Act being signed into law by President Trump. Thanks to the leadership of the president, Speaker Ryan, and Republican leaders, hard-working Wisconsin families are seeing benefits of these tax cuts – despite opposition from Senator Tammy Baldwin and her allies, Chuck Schumer and Nancy Pelosi.

“When Senator Tammy Baldwin opposed these historic tax cuts she picked liberal Washington political games over hard-working Wisconsin families,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “Wisconsinites are keeping more of what they earn and our economy is prospering with President Trump and Speaker Ryan’s leadership. Even with all the good news since the passage of the tax cuts bill, Tammy Baldwin is denying reality with her liberal Washington allies, Nancy Pelosi and Chuck Schumer – these tax cuts are working for Wisconsin.”

Hard-working Wisconsin families are winning with tax cuts:

Republican tax cuts will save the typical Wisconsin family of four over \$2,500 per year.

Thanks to the Republican Tax Cuts and Jobs Act, businesses across Wisconsin are increasing salaries and awarding bonuses to workers. See some examples here. According to a survey published by the National Association of Manufacturers, 95% of manufacturers have a positive outlook for their companies – a rise in confidence

that they credited to Republican tax cuts.
