[Madison, WI] —Democrats want to raise your taxes and increase the size of government. Last year during a campaign stop, Senator Tammy Baldwin told reporters that she [supports a government takeover of health care](#). An analysis shows that one such plan by socialist Bernie Sanders would cost [\\$32 trillion](#) - and would be [paid for by hiking taxes](#).

“As we march towards Tax Day, Senator Baldwin’s record on raising taxes on hard-working Wisconsin families speaks for itself,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “Baldwin voted against tax cuts that save a typical Wisconsin family over \$2,500 and has supported a government takeover of health care that would cost \$32 trillion. She would rather grow the size of government in Washington than stand up for hard-working families in Wisconsin.”
