[Madison, WI] — Today, grassroots Republican activists from every corner of Wisconsin voted to endorse Leah Vukmir in her campaign to unseat Senator Tammy Baldwin this fall. While Baldwin has spent nearly 20 years picking Washington over Wisconsin, Leah is a proven conservative reformer who will put Wisconsin first. The Republican Party of Wisconsin released the following statement from Chairman Brad Courtney:

“Leah is a strong conservative with a track record of getting things done for hard-working Wisconsin families. Leah worked incredibly hard to secure this endorsement from grassroots conservatives statewide, and the Republican Party of Wisconsin is ready to take the fight to Senator Tammy Baldwin this fall.”
