[Madison, WI] — Do-nothing-Senator Tammy Baldwin has made her political career by putting the interests of Washington party-bosses before Wisconsin families. Today, the Republican Party of Wisconsin is launching a new website highlighting Baldwin's record picking Washington over Wisconsin.

"Whether it's voting against a tax break for the middle class, advocating for a government takeover of healthcare or her complete failure to stand up for our veterans at the Tomah VA, Tammy Baldwin has failed to come through when Wisconsinites need her the most," said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. "While Leah Vukmir has a consistent track record of fighting for Wisconsin families, Tammy Baldwin has time and time again sold out Wisconsin in favor of her liberal Washington allies."
