[Madison, WI] — Leah Vukmir is a proven conservative reformer who helped fight to make Wisconsin's comeback possible. Now, she's ready to take our Wisconsin way to Washington. Tammy Baldwin is a far-left radical who toes the party-line with Chuck Schumer, Nancy Pelosi, and the Washington swamp. Leah Vukmir will continue to fight for hard-working Wisconsin families, while Tammy Baldwin puts Washington ahead of them.

"Leah Vukmir is a proven conservative reformer who knows how to get things done. There's nobody better to take our Wisconsin way to Washington than Leah," said Mark Morgan, Executive Director for the Republican Party of Wisconsin. "From her support of higher taxes and opposition to stronger immigration laws, to her plan to end private health insurance for millions, Tammy Baldwin has shown that she'll put her far-left Washington allies ahead of hard-working Wisconsin families. Time and again when given the opportunity to stand up for Wisconsin families she failed. Wisconsin deserves better."
