[Madison, WI] — Tammy Baldwin continues to rely on her far-left allies in Washington to prop up her campaign. First it was Cory Booker and Kamala Harris. Now, Baldwin is showing her socialist side, rallying with liberal extremist Bernie Sanders Saturday in Eau Claire and proving just how far left she is. Ahead of her announcement tomorrow, the Republican Party of Wisconsin released the following statement from spokesman Alec Zimmerman:

“By bringing socialist Bernie Sanders to Wisconsin, Tammy Baldwin is showing how truly far left she is. From their votes against tax cuts, to their embrace of government run health care and its massive tax hikes, neither Baldwin nor Sanders are fighting for hard-working families. Baldwin keeps picking her Washington liberal allies over Wisconsin.”

Senator Baldwin & Senator Sanders: Extreme Washington Liberals

- From 2013 to June 2018, Tammy Baldwin voted with Bernie Sanders 90 percent of the time - she's one of the most liberal senators in a state won by President Donald Trump.
- Baldwin has signed on to cosponsor Bernie Sanders' plan for government run health care - similar plans [would cost trillions](#) of dollars and raise taxes on hard-working Wisconsin families.
- Baldwin supported Sanders' plans to raise the federal minimum wage to \$15 an hour that could result in massive job loss [similar to other states](#).
