### **President Trump Delivers for Wisconsin Families**

*Real results one year after inauguration*

[Madison, WI] — After his first year in office, President Trump is delivering for Wisconsin families. Despite obstruction from Democrats like Senator Tammy Baldwin, our economy is booming, regulations are being cut, and Wisconsin families are keeping more of what they earn through tax cuts. As we celebrate President Trump's first year in office, the Republican Party of Wisconsin released the following statement from Chairman Brad Courtney:

"President Trump promised to shake up Washington for hard-working Wisconsin families and he has delivered. Thanks to his leadership, Wisconsinites are keeping more of their hard-earned money through tax cuts, there's a new justice on the Supreme Court, regulations have been cut, and our economy is booming. Republicans are delivering real results for Wisconsin."
