*Proof positive that Bryce is a radical liberal*

[Madison, WI]— Randy Bryce supports a government run health care plan that would end Medicare as we know it and leave Wisconsin taxpayers with the bill. Even if the federal income tax rate doubled it still wouldn't be enough to cover the cost of Bryce's extreme plan. Bryce's health care goals are more proof that he's more in touch with his liberal California donors than he is with hard-working Wisconsin families.

"Randy Bryce is an extreme liberal with extreme policy views and his government run health care plan is no different" said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. "Bryce's plan would end Medicare as we know it and leave taxpayers on the hook for a massive bill - one that he'll surely want to raise your taxes to cover. With a record like his, Randy Bryce shouldn't be allowed anywhere near Congress."

## **Randy Bryce's socialist health care plan**

\*Randy Bryce and Bernie Sanders want to [eliminate Medicare as we know it](#) and put bureaucrats in control of your health care.

\*The Randy Bryce health care takeover puts taxpayers on the hook for a cost of [\\$32 trillion](#).

\*[Doubling the federal income tax rate and the corporate tax rate](#) still wouldn't pay for the Bryce's government takeover of health care.
